

## Program Data Point 9. Recommendations for Certifications and/or Licensure

In Kentucky, the Educational Professional Standards Board (EPSB) governs the practice of school counselors. The EPSB initially issues applicants who have completed an approved master’s level program in school counseling a five-year Provisional Certificate for School Counselor, P-12. The board issues a five-year Standard Certificate for School Counselor, P-12, to applicants who meet one of the following options:

### Option 1

- Successful completion of an approved master’s level program in school counseling;
- Successful completion of an additional 3-6 credit hours from an approved graduate-level counseling or school counseling program;
- One year of full-time employment as a provisionally certified school counselor in an accredited public or private school;
- Hold a valid Kentucky Professional teaching certificate, and
- Have a minimum of one year of full-time classroom teaching experience.

### Option 2

- Successful completion of an approved master’s level program in school counseling;
- Successful completion of an additional 3-6 credit hours from an approved graduate-level counseling or school counseling program;
- Have a minimum of two years of successful employment as a Provisional full-time certified school counselor.

The table below represents the number of school counseling graduates recommended for certification. “Number Eligible” represents completers of the Master of Arts degree in School Counseling or Dual Degree in Counseling, as well as non-degree, certification-only post-graduate students in Rank I School Counseling Certification (i.e., seeking re-certification at 60 hours); Standard School Counseling Certification (i.e., seeking re-certification at 54 hours); or as part of School Counseling Proficiency Evaluation (i.e., temporary school counselor certification in Kentucky).
