# NKU STUDENTS, FACULTY, AND STAFF,

## Welcome to the 2024-2025 Academic Year!

We hope this year that you will make lifelong memories, lasting friendships, and that you will connect to Norse Nation while completing your academic goals. The mission of Student Affairs is to provide programs and services that enhance student sense of belonging, well-being, and academic and post-graduation success. We strive to become a destination for students to feel connected, respected, accepted, and socially and academically supported on campus so they can achieve their full potential.

This Student Affairs calendar is designed to provide a comprehensive view of programs, important enrollment deadlines, activities, workshops and events sponsored by departments and offices within our units. With the calendar, you will find descriptions of signature events, photos of guest speakers, and you might even see yourself! Use both the printed and online calendar versions to guide your participation, whether on- or off-campus. We encourage you to take advantage of ALL that NKU has to offer and we will be here to help you on your path to success.

Again, welcome to another year at NKU and Go Norse!

**Jason Vest, Associate Provost for Academic and Student Affairs**  
**Sarah Aikman, Assistant Vice President for Student Engagement and Inclusiveness**  
**Bob Alston, Assistant Vice President for Student Conduct and Wellness and Dean of Students**
